

# ***L'Anse Area Schools***

**February 2021**

**Employee of the Month**

***Denise Wilder***

Denise has worked at L'Anse High School for over 20 years. She has taught many math courses in the Jr-Sr High School in addition to some middle school science courses. Denise was nominated for Employee of the Month because she is very dedicated to her students and goes out of her way to try to bring some fun into the school. She will often have music playing in the hallway in the morning when students are heading to their classes and posts riddles outside of her classroom on a regular basis. Denise has worked hard to engage students during remote learning and is willing to reteach content as needed. Her input and ideas are respected by her colleagues.

Denise's fun attitude and dedication to our students is greatly appreciated. We are fortunate to have her as a part of our team at L'Anse Area Schools.
